Staff Contact(s): Kroy Ekblaw, Planning and Development Services General Manager, 480-312-7064, kekblaw@scottsdaleaz.gov; Robert J. Cafarella, Preservation Division Director, 480-312-2577, rcafarella@scottsdaleaz.gov

Staff provided a presentation for Items 16 and 17, reviewing how the neighborhoods were selected, public involvement, the consequences of historic designation, the criteria for designation, and the historic context of the neighborhoods.

Mayor Manross opened public testimony.

JoAnn Handley, 6813 E. Monterey Way, 85251, served on one of the Historic Preservation Commission committees and expressed that both of these neighborhoods took Scottsdale from a rural farming community into the urban area that it is today and are worthy of preserving.

Dirk Moore, 7319 E. Monte Vista, 85257, a resident of the Town and Country neighborhood for the past thirteen years, spoke in favor of the historic designation and his plans to pursue national historic designation.

Edward Wimmer, 6702 N. 80th Place, 85250, Chairman of the Historic Preservation Commission, urged the Council to preserve these neighborhoods as they were viable examples of Scottsdale's heritage. He further stated that homeowners would still have a lot of latitude with what they could or could not do with their properties.

Christa Keating, 7308 E. Monte Vista Road, 85257, a Town and Country resident, expressed her love of the area and her support for the historic designation to preserve these neighborhoods.

Doug Sydnor, 7468 N. Willow Rain Court, 85258, representing the American Institute of Architects and former Chairman of the Historic Preservation Commission, spoke in support of the historic designation for both developments as they exemplified the best of the post WWII single-family residential homes left in Scottsdale. He further reviewed the extensive investigation process that had taken place.

Joy Rich, 6643 E. Monte Vista Road, 85257, a resident of the Village Grove neighborhood, said the neighborhood qualified for the designation and the majority of the neighborhood approved. They fully understand the ramifications and believe the benefits outweigh the burdens.

Jennifer Hibbard, 6846 E. Oak Street, 85257, a Village Grove resident, presented several magazine and newspaper articles, some designating this area of Scottsdale as "retro cool."

Mayor Manross closed public testimony. Twenty additional comment cards were received from citizens in favor of Items 16 and 17, but not wishing to speak.

Council discussion was strongly supportive of the historic overlays for both neighborhoods, for preserving important structures and history, and for taking another step in improving the quality of life, as well as creating a major asset for southern Scottsdale.

MOTION AND VOTE – ITEM 16

VICE MAYOR DRAKE MOVED FOR APPROVAL OF ITEM 16 (24-ZN-2004, 9-HP-2004, AND ORDINANCE 3619). COUNCILMAN ECTON SECONDED THE MOTION, WHICH CARRIED 7-0.

MOTION AND VOTE – ITEM 17

VICE MAYOR DRAKE MOVED FOR APPROVAL OF ITEM 17 (25-ZN-2004, 10-HP-2004, AND ORDINANCE 3620). COUNCILMAN ECTON SECONDED THE MOTION, WHICH CARRIED 7-0.

18. Interim Ambulance Agreement

Requests:

1. Adopt Resolution No. 6693 authorizing consent to assumption of Emergency Medical Services Agreement, assignment of Agreement and Assumption No. 2005-112-COS.
2. Adopt Resolution No. 6694, authorizing approval of the Amended Emergency Medical Services Agreement No. 2002-096-COS-A.
3. Approve the addition of two full-time employees (firefighters) and a budget contingency transfer authorizing expenditures in the amount of \$150,980.78 for the associated personnel costs. Funding will be provided by SW General Incorporated, dba Southwest Ambulance, as reimbursement payments for services rendered by the City.

Related Policies, References: Ordinance No. 3588, To Create a Municipal Fire Department; Emergency Medical Services Agreement No. 2002-096-COS; City Ambulance Service Options CAR, January 4, 2005; and Consulting Services to Assist the City in an Open Competitive Process for Advanced Life Support Ambulance Transportation Services CAR, April 19, 2005.

Staff Contact: William L. McDonald, Fire Chief, 480-312-1880,
wmcdonald@scottsdaleaz.gov

Staff gave a presentation reviewing the history of ambulance companies, current system components, proposed changes to the system with and without the agreement amendments, and the current response time. In addition, discussion was held regarding the current RFP process for ambulance service, with the new system in place by January 2006.

Responding to Council, Chief McDonald explained that the fire department's system of operation had not been determined yet, and could be a combination of ambulance-provided and fire department-provided resources, depending on what the RFP evaluation process determined was best for the City. Adoption of this agreement would be a good interim step for going from a system that was fully staffed by firefighters to a system that could possibly be staffed completely by an ambulance company. Once the RFP process is concluded, the City will have a variety of options to consider.

MOTION AND VOTE – ITEM 18

COUNCILMAN LITTLEFIELD MOVED FOR APPROVAL OF ITEM 18, ADOPTION OF RESOLUTIONS 6693 AND 6694, AND APPROVAL OF THE ADDITION OF TWO FULL-TIME EMPLOYEES AND BUDGET CONTINGENCY TRANSFER OF \$150,980.78. COUNCILMAN ECTON SECONDED THE MOTION, WHICH CARRIED 6-1, WITH COUNCILMAN MCCULLAGH DISSENTING.

In expressing his opposition to the motion, Councilman McCullagh stated that the plan clouded one significant fact that Scottsdale residents had voted overwhelmingly to retain the services of Rural Metro, which implies a reasonable level of satisfaction with the fire and ambulance service. The City will soon have a municipal fire department at a cost that far exceeds even the

highest estimates for start-up costs, and the Council was now being asked to approve a plan further contradicting the reasonable interpretation of the voters' wishes. The plan would begin to replace the City's existing private ambulance service by expanding the fire department to do the job, and necessitates the hiring of 14 additional firefighters. He stated his belief that the addition of two ambulances was unnecessary at this time, and would like the fire department to be up and running efficiently before considering how to provide fire or ambulance service to the City of Scottsdale, and fire service to anywhere else at any price. Councilman McCullagh concluded his remarks by stating his preference to amend the proposal to have the contractor provide all of the ambulance staffing.

19. Adoption of the Proposed FY 2005-/06 Property Tax Levy

Requests:

1. Solicit public testimony on the proposed fiscal year 2005/06 property tax levy.
2. By a roll call vote, approve a motion to consider adoption of the proposed tax levy. To receive public input relative to the proposed FY 2005/06 property tax levy and by a roll call vote, approve a motion to consider adoption of the property tax levy on June 21, 2005 in accordance with Arizona State Statutes (42-17107) and the City Charter (Article 6 Finance and Taxation, Section 7 Adoption of Ordinance Fixing Tax Rate).

Staff Contact: Craig Clifford, Financial Services General Manager, 480-312-2364, cclifford@scottsdaleaz.gov

Mayor Manross noted that due to the necessity of republishing the hearing dates as previously announced, the property tax levy and final budget estimates for FY 2005/06 would be formally adopted on June 28, 2005.

Staff reviewed the statutory requirements for property taxes and the proposed tax rates for Scottsdale. The combined (primary and secondary) property tax rate for FY 2005/06 is \$1.04 per \$100 of assessed valuation, down \$.03 from FY 2004/05. Staff noted this was the eighth consecutive year of a property tax rate decrease, and that Scottsdale has the lowest property tax rates in the valley.

No public comment cards were received.

MOTION AND VOTE – ITEM 19

COUNCILMAN OSTERMAN MOVED TO CONSIDER ADOPTION OF THE PROPERTY TAX LEVY ON JUNE 28, 2005. COUNCILMAN MCCULLAGH SECONDED THE MOTION, WHICH CARRIED 7-0, BY A ROLL-CALL VOTE.

ITEM 20 WAS POSTPONED TO JUNE 28, 2005.

20. Final Estimates for FY 2005/06 Operating Budget and Capital Improvement Plan Requests:

1. Solicit public testimony on the FY 2005/06 Operating Budget and Capital Improvement Plan.
2. Adopt Ordinance No. 3622, the Final Budget estimates for FY 2005/06. The City Council receives public input relative to the proposed FY 2005/06 Operating Budget and Capital Improvement Plan, and adopts the Final Budget estimates in accordance with Arizona State Statutes and the City Charter.
